Stewards Supported

"Jesus said to them, 'There is no need for them to go away; give them some food yourselves'."
- Matthew 14:16

This is what Jesus said right before he fed the five thousand men. How often do we really place our trust in Jesus when the situation looks grim? With Jesus, no gift is too small or insignificant when offered with love. But, we have to do our part. We should trust that Jesus will support our stewardship by providing all that we need. We need to believe that Jesus has a better plan in store for us.

CLERGY CORNER & PARISH NEWS

Today's Gospel invites us to look beyond the miracle of the multiplication of the loaves and fish and discover the heart of Jesus. This miracle is not simply about feeding a hungry crowd; it reveals God's compassion, His abundant providence, and our call to participate in His work.

After hearing of the death of John the Baptist, Jesus withdrew to a deserted place. Yet when He saw the crowds, His own sorrow gave way to compassion. St. Matthew tells us that "He was moved with compassion for them," healing their sick and caring for their needs.

The same Jesus looks upon us today with that same compassion. He sees our worries, our struggles, our fears, and our deepest needs. He knows that our greatest hunger is not merely physical but spiritual—a hunger for hope, forgiveness, peace, and the assurance of God's presence.

As evening approached, the disciples saw only a problem: thousands of people and very little food. Their solution was to send the crowd away. But Jesus challenged them with these powerful words: **"Give them some food yourselves."**

The disciples had only five loaves and two fish. It seemed insignificant. Yet Jesus was not asking them to provide everything. He simply asked them to place what little they had into His hands.
We often feel the same way. We may think our faith is too small, our talents too ordinary, or our time too limited to make a difference. But God has never asked us to do everything. He simply asks us to offer Him what we have. When we place our lives, gifts, and talents in His hands, He multiplies them beyond anything we could accomplish on our own.

This miracle also points us to the Holy Eucharist. Jesus took the bread, blessed it, broke it, and gave it to His disciples to distribute. These same actions are repeated at every Mass. Christ continues to feed His people with His Body and Blood, strengthening us to become His hands and feet in the world.

At the end of the Gospel, everyone had eaten their fill, and twelve baskets of leftovers remained. God's grace is never measured by scarcity but by abundance. He always provides more than enough for those who trust in Him.

The question is not whether we have much or little to offer. The real question is whether we are willing to place it in the hands of Christ. When He blesses the little we give Him with faith and love, it becomes an abundance of grace for His glory and for the good of others.

As we receive the Bread of Life this Sunday, may we allow Christ to nourish our hearts and renew our desire to serve. When we place our lives in His hands, He can accomplish far more through our humble **"yes"** than we could ever imagine.

-Deacon Luis A. Mounier

PARISH NEWS

Backpack Donation Is Next Weekend August 8th & 9th

As you enjoy your summer break, think about purchasing a new backpack or new school supplies and then bring your donation to the church or Parish Office.

They can be dropped off **prior to and including the weekend of August 8th & 9th** at the Parish Office or in the back of the church.

Many children in our area start off the school year with few or no new school supplies. Again, this year, we will be collecting and filling backpacks for students of all ages to start them off right as they begin the new school year. In previous years we filled just over 250 backpacks and distributed them to a number of local families and local schools. These students were provided a much-needed head start for the new school year and they appreciated your generosity.

This year the need is even greater and we hope to meet the needs of many local students with your help.

Some supplies that you might consider purchasing include:

Pencils, pencil cases, glue sticks, red, blue & black pens, erasers, rulers, 24 count of crayons, sharpeners with lids, markers, loose leaf paper, loose leaf binders, highlighters, composition books (marble), spiral notebooks, graph paper, 2-pocket folders, dry erase markers, thick & thin markers and colored pencils.

You may want to make a cash or gift card donation with which we can purchase items that may be in short supply. Please put your donation in an envelope, and place it in the collection basket.

Mark it "Backpacks".

May God bless and reward your generosity!
Thank you for your help in giving children in need a successful start to the new school year!

ATTENDING DAILY MASS – *WHY AND BENEFITS*

Dear Parishioners and Friends,

Each week in the bulletin, we will be featuring parishioners' testimonials of attending daily Mass. I'm grateful to each one of them for their willingness to share how daily Mass has impacted their lives, and I pray that it will inspire you as well. God bless, Fr. Sanjai

Since these notices have been in the weekly bulletin, I have noticed an increase in the number of attendees at daily Mass. I've been attending for almost 20 years and am so grateful that our parish celebrates the Holy Mass so frequently. Many arrive early to pray and you can hear a pin drop. There is no talking, no clapping. Reverence. We look at Our Lord on the Crucifix and know that we are at the re-presentation of Calvary and the priest is in Persona Christi. Our angels are there with us, all the saints that we invoke, our family members that are in heaven are all in attendance! What a gift we have as Catholics!

PARISH NEWS & PARISH MINISTRIES

Dear Parishioners and Friends,
The safety of our parishioners, school students, faculty, and staff is one of our top priorities. As you know, we have been taking proactive measures to ensure that our church, parish office, and school are safe places for everyone to worship, work, and learn.

You may have noticed that fencing enclosures and safety poles were recently installed in certain areas around our buildings. We have been working closely with the New Jersey Department of Homeland Security, and they have been giving us recommendations on how we can enhance security across our parish and school campus. The fencing enclosures and safety poles were part of their most recent recommendations to protect our utilities and all of the school entrances.

All of these security upgrades are made possible through grant money from the state. I wish to acknowledge and extend my most heartfelt gratitude to Deacon Mike, Mike Mellace, and Trish Mancuso, our school principal, who have worked tirelessly to submit our grant proposals to the state for approval. With the recent security upgrades, Deacon Mike spearheaded the project, supervised the work, and reviewed and finalized all of the proposals. Mike Mellace assisted Deacon Mike in putting the grant proposals together, and Trish Mancuso offered her help and guidance on the school side. Once the state approved the proposals, our parish received the New Jersey Homeland Security Grant money to move forward with the recommended security upgrades, which totalled $100,000.

As you can see, this is a significant undertaking that requires a considerable amount of work and attention to detail, and once again, I am grateful to everyone who brought these security upgrades to fruition. I pray that God will continue to bless and protect all of the many parishioners, volunteers, faculty, staff, and students who walk through our doors each and every day.

God bless, Fr. Sanjai
